**Consideration**

For and in consideration of the mutual promises and benefits to be derived by both parties, the performer(s), band, or artisan listed above has agreed to provide a live music performance on the date(s) and times(s) listed under the terms of agreement. By applying, you are not guaranteed to be chosen for this event.

Any minors participating in the events must be accompanied by a responsible adult(s) who will be responsible for their behavior and safety.

All performances will be conducted in a manner that is appropriate for attendance by all age groups in a family friendly environment. Absolutely no profanity or obscenities will be permitted.

Out of respect for attendees and other performers, WHDA music committee will monitor the volume of sound generated by each performance and may ask you or your group to maintain an acceptable level of noise output. (Decibels should be limited to 85 decibels or less).

All performers will be paid for their time and talent for the production of an event that is sponsored by a not-for-profit organization for purposes of entertainment of the general public. Any monetary gain from the sale of merchandise or publicity from the distribution of literature by the performer(s) is solely the

property and responsibility of the performer(s). The WHDA reserves the right to deny sale and distribution of material they deem inappropriate for the events.

The performers are encouraged to provide signage to clearly identify their performer(s) or group of performers. Please do so in a way that is neither distracting nor a safety risk. This is an excellent opportunity to showcase your talent and acquire opportunities for future events.

I grant permission of photographs, video recordings, and audio recordings of the above listed performer(s) or group of performers during the event. This material will be used solely for the advertising and publicizing of WHDA events.

**Publicity Release**

*Provide initials to indicate acceptance of this publicity release.*

**Terms of agreement**

The WHDA will assign a location for the performance to be given as part of the event. Electrical needs must be communicated to WHDA upon registration. We can only accommodate a few groups that need multiple electrical outlets. Most locations have a single outlet as an electrical source.

The performer or group of performers will provide any necessary instruments or equipment needed and will be responsible for their own setup and breakdown of equipment. You will need to assume responsibility for your own equipment and always keep someone in attendance with your equipment. Please set up after the public streets are blocked off for the event and break down as quickly as possible at the conclusion of the event. Setup between 5:00 and 5:45 PM. Breakdown to be completed for streets to reopen at 8:45 PM.

**Execution**

This agreement is hereby executed as indicated by signatures obtained from the party(ies) and/or their authorized representative(s). A responsible adult representative must sign for any party(ies) under the age of eighteen.
