

## Harbor District Maritime Festival 2023 Sponsorship Package

All money raised will be used to facilitate the mission of the WHDA which is to recruit and support businesses in the Central Business District while building partnerships that encourage preservation and promote the Harbor District as an inclusive, professional, commercial, cultural, and residential community on the water

A strong downtown can be a major stimulator for economic growth and potentially a key revenue generator for Washington & Beaufort County. It also represents the image and character of Washington to the rest of the world. We're one of the precious few who have their downtown business districts on the water. It's the heart of the City. With your support, this fundraiser will help us continue to strengthen the heart of Washington.

One way to help your company achieve both success and recognition with the Harbor District Maritime Festival is through a sponsorship program. We have tailored the programs to offer sponsors an opportunity to market their company at a comfortable financial level.
